Who Should Attend?

This program is intended for architects, property owners, engineers, contractors, designers, real estate investors, CFOs, CPAs and business owners interested in learning how to maximize the tax benefits available through the Energy Policy Act, extended through December 31, 2013.

Key Learning Objectives

- Gain an understanding of the federal tax benefit available for the design of energy-efficient public or government-owned buildings
- Learn how to take advantage of valuable tax savings and increase cash flow for your business

How to Register

Register online at

Urish Popeck: www.urishpopeck.com/events or
AIA Pittsburgh: www.aiapgh.org/calendar.html

RSVP by September 24, 2010

If you have any questions,
please call Tom Current at 412-391-1994

Lecture Fee

\$20.00 AIA Members
\$10.00 Students
\$30.00 Non-members

This instructor-led program will offer 1.0 credit hour of continuing professional education from the AIA, USGBC and NASBA. Please confirm the CPE sponsor requirements of your licensing board upon registration.
