Timeless Architecture Awards Submission Criteria

ELIGIBILITY

The Timeless Architecture Award Category is for built projects that are at least twenty-five years old. Projects must have been originally designed by a member of AIA Pittsburgh or AIA Middle Pennsylvania and must be submitted by a current AIA Pittsburgh or AIA Middle Pennsylvania Chapter member. Submissions are for built projects completed prior to **January 1, 1985**. All judging will be completely anonymous.

SUBMISSION REQUIREMENTS

For every design award submission, you must turn in a **Submission Packet** and a **Design Board**. Each submission shall be presented on 40" x 40" x 1/2" Gatorboard or Bio-board, as well as a digital submission in the form of two identical compact discs (CD), in the case provided by AIA Pittsburgh. Projects will be judged from the CDs; boards will be used for exhibition purposes only. Projects which were submitted last year but did not receive an award may re-use 40" x 40" design boards for submission. References to previous awards or project publications shall be considered reason for disqualification.

You will receive 2 identical compact discs. They are color coordinated and labeled according to your choice of submission category.
