

# Get Involved!

**AIA is for the architects, lead by the architects.  
Help make a difference.  
Join a committee!**

## **Communications Committee**

Enhance the public awareness of architects in southwestern Pennsylvania region and help develop the tools used to best reach the architectural community.

## **Continuing Education Committee**

Develop educational programming, giving you the chance to direct what you would like to learn.

## **Design Pittsburgh Committee**

Plan the annual design awards program, exhibit, and celebration – a great opportunity to enhance our PR efforts and show the public the quality of design that is coming out of the Pittsburgh region.

## **Editorial Board**

Contribute to the content of Columns Magazine through the contribution of ideas, trends, and possible story lines.

## **Government Relations**

Monitor, analyze, and report on local legislative matters of concern to the architecture profession as well as educate local governmental bodies on the value of architecture and its role in society.

## **Membership**

Create a large, strong, and diverse membership of architects and related professionals.

## **Pittsburgh Young Architects Forum**

Support and encourage young professionals in the field of architecture as they obtain licensure, develop professionally, and collaborate with allied professionals.

## **Revenue Committee**

Play a key role in identifying funding and resources to maintain and expand AIA Pittsburgh programming and projects.

**Contact** AIA Pittsburgh at [info@aiapgh.org](mailto:info@aiapgh.org) or 412-471-9548 or to sign up for a committee. For a complete list of committee descriptions and more info on AIA Pittsburgh, visit [www.aiapgh.org](http://www.aiapgh.org)
